

Meeting Agenda 5

Abrar Attia
Mediha Munim
Susan Fayez
Group 7

October 25 2017

Meeting Chair: Susan Fayez

1 Agenda

- Discuss improvements to SRS document
- Assign Test Plan sections, discuss
- Assign further implementation sections

2 Minutes

- Improvements can be made on Open Issues and OTS solutions in SRS, focus on issues on the actual implementation.
- Need to be more specific on response time requirements.
- Removing legal requirements, we can think of none that apply.
- For Test Plan, Mediha to do General Information, Plan, and Appendix, Susan to do System Test Description, and Abrar to do Tests for Proof of Concept, Comparison to Existing Implementation, and Unit Testing Plan.

3 Homework

- ALL: Assigned sections of Test Plan document
- Abrar Mediha: Look into swing and GUI implementation
- Susan: Start planning framework for back end code
