

# 3XA3 Meeting Three

Abrar Attia  
Mediha Munim  
Susan Fayeze  
Group 7

October 2 2017

Meeting Chair: Susan Fayeze

## 1 Agenda

- Complete Lab Unit Testing Exercise
- Discuss Project Implementation
- Discuss SRS Document

## 2 Minutes

- Completed Java unit testing for Box3D ADT lab exercise
- Discussed what components of original project to include in our implementation (timer, keyboard input, keyboard matcher, character tracker, accuracy calculator, GUI, custom lessons, built in lessons)

## 3 Homework

- All: Go over original source code, begin planning our implementation
- All: Work on individual sections of SRS document
